2023/2024 IMPACT REPORT

GREETINGS FROM THE CHAIR OF THE BOARD

I am pleased to present the 2023/2024 Socks 4 Souls Canada Impact Report.

This past year has been filled with many exciting moments. In April 2023, we hired April Watts, our new Managing Director, who has been helping us build and execute a forward-looking plan to support the growth of our organization and increase our impact on the unhoused community.

We were thrilled to have Indie88 continue their partnership with Socks 4 Souls Canada with their 7th Annual Socks for the Streets 2023 holiday campaign. The campaign surpassed their 300,000 pairs of socks goal, making it the most successful year to date.

We saw the return of our in-person Sock Sorting and Distribution event in February 2024, where we were able to reconnect and have some fun with many people in our amazing community.

In this report, we also share the significant impact that our donors, volunteers, and partners, have had on providing warmth, comfort, mobility, and health to people experiencing homelessness throughout Ontario. We are truly grateful to every single person who has helped us make a difference this year.

Sincerely,
Dr. Christine Tang
