

2025 IMPACT REPORT

Socks 4 Souls Canada significantly increased our impact in 2025 and it would not have been possible without the incredible support of our donors, volunteers, and partners. We are beyond grateful to each and every one of our supporters for helping us provide new socks to people experiencing homelessness, helping them to seek food, shelter, medical care, and other social services.

THANK YOU!

455,000+

pairs of socks distributed to hundreds of shelters and organizations across Ontario to support our unhoused communities in 2025.

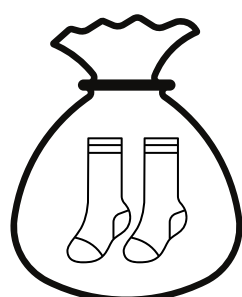

“ We hand out SO many pairs of socks at the door and these socks will be beyond helpful for our clients – some of whom show up at our doors in the coldest months, with nothing on their feet.”

“When I hand socks to clients, their faces light up and they’re very appreciative. When we can offer basic needs items such as socks, it helps to build relationships and trust with clients so they’re more likely to continue accessing services.”
